Regulatory Information

Where this communication constitutes a financial promotion issued or having effect in the United Kingdom that is not exempt under the Financial Services and Markets Act 2000 or the Orders made thereunder or the rules of the Financial Conduct Authority, it is issued or approved for distribution in the United Kingdom by Julius Baer International Limited.

Limitations on Availability of Services

Services and/or products mentioned in this communication may not be available for all recipients and may not be available in all countries. Clients are kindly requested to get in touch with their relationship managers in order to be informed about the services and/or products available in their country.

No Offer of Securities

Unless this communication contains an explicit investment proposal in relation to a specific investment, it does not constitute an offer, a recommendation or an invitation by, or on behalf of, Julius Baer to make any investments.

Communication not Personalised

Unless this communication contains an investment proposal or is described as including investment advice, this communication has been prepared without taking account of the objectives, financial situation or needs of any particular investor. It therefore does not include a representation that any investment, transaction or strategy is suitable or appropriate for individual circumstances, or otherwise constitutes a personal recommendation for any specific investor.

In such cases, before entering into any investment or transaction or embarking on any strategy, investors should consider the suitability of the investment, transaction or strategy to their individual circumstances and objectives. Any investment or transaction should only be undertaken by an investor after a thorough reading of the relevant product term sheet, subscription agreement, information memorandum, prospectus or other offering document relating to the issue of the securities or other financial instruments.

Limitations on Investment Advice

Where this communication contains an investment proposal or is described as including investment advice, that advice is “restricted advice”. This means that, where that advice relates to a retail investment product, it is based on the range of investments that have been included on the Julius Baer open product platform, but that platform, while extensive, does not include all available investments that may meet your investment needs.

No Legal or Tax Advice

Nothing contained in this communication constitutes legal or tax advice and Julius Baer recommends that investors obtain advice on these matters from independent professional advisers before making any investment decisions.

Investment Risks

Any investment or transaction should only be undertaken by an investor after a thorough reading of the relevant product term sheet, subscription agreement, information memorandum, prospectus or other offering document and in particular the description of the risks set out there. Investors must consider the risks of investing carefully and in particular read and ensure they have understood all of the information on the nature and risks of the investments they are making which Julius Baer or others have provided to them before they make any investment decision.

Past Performance

Past performance is not a reliable indicator of future results. Performance forecasts are not a reliable indicator of future performance. The investor may not get back the amount invested or may be required to pay more.

The various entities in the Julius Baer Group and/or its boards of directors, executive management and employees may have or have had interests or positions in, or traded or acted as market maker in, securities that are the subject of this communication. Furthermore, such entities or persons may have or have had a relationship with or may provide or have provided corporate finance or other services to or serve or have served as directors of companies to which such securities relate.
