## Exhibitions

From time to time we lend certain works of art to museums for their exhibitions for a period of a few months, primarily in Switzerland.

In addition, the Julius Baer Art Collection was made accessible to the public by the following museum exhibitions:

### **Reality Is Not a Commonplace – Photographs and Videos from the Julius Baer Art Collection**

Museo Cantonale d'Arte Lugano, 11. 5. 2013 – 18. 8. 2013

This exhibition was conceived out of the importance that media photography and video have in today's understanding of art. Artworks from 40 artists, including Olaf Breuning, Stefan Burger, Balthasar Burkhard, Fischli/Weiss, Thomas Flechtner, Urs Lüthi, Shirana Shahbazi, and Roman Signer showed the complex and fascinating relationship between image and reality.

### **Naturellement Abstrait. L'art contemporain suisse dans la collection Julius Baer**

Centre d'art contemporain Genève (CAC), 28. 9. 2005 – 6. 11. 2005

This exhibition showcased a selection of over 100 works from the Julius Baer Art Collection. Together, these works illustrated the wide spectrum between abstraction and figuration in contemporary art.

### **Julius Bär Art im Helmhaus zu Gast**

Helmhaus Zürich, 24. 8. 2001 – 14. 10. 2001

With this exhibition, held at Helmhaus Zurich in 2001, Julius Baer took stock of the first twenty years of corporate collecting.
