Financial Results FY 2017*

Dieter A. Enkelmann, CFO

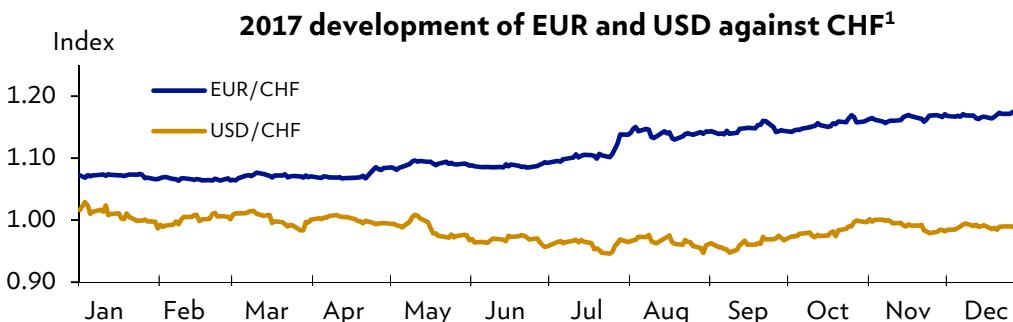

*Financial Results are presented on adjusted basis. See “Scope of Presentation of Financials” in the Appendix

2017: SUPPORTIVE MARKET ENVIRONMENT

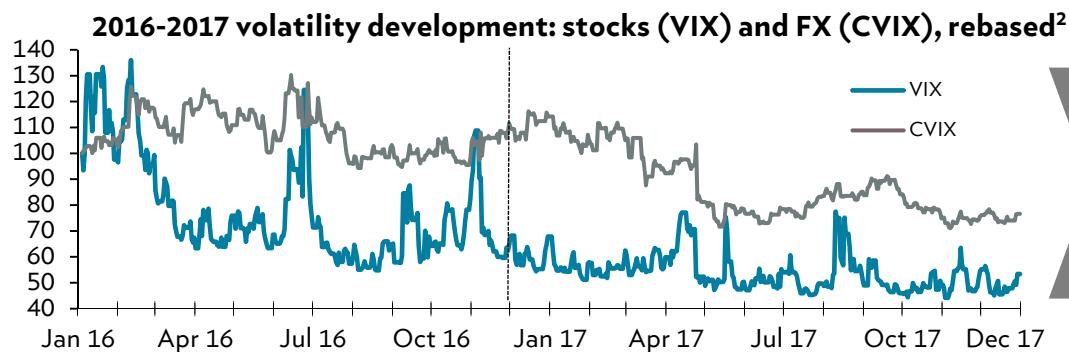

Partly offset by lower FX volatility

- Stock markets benefited from continued positive economic momentum ...
- ... leading to higher valuations and increased client engagement

- EUR strengthened by 9%
- USD weakened by 4%

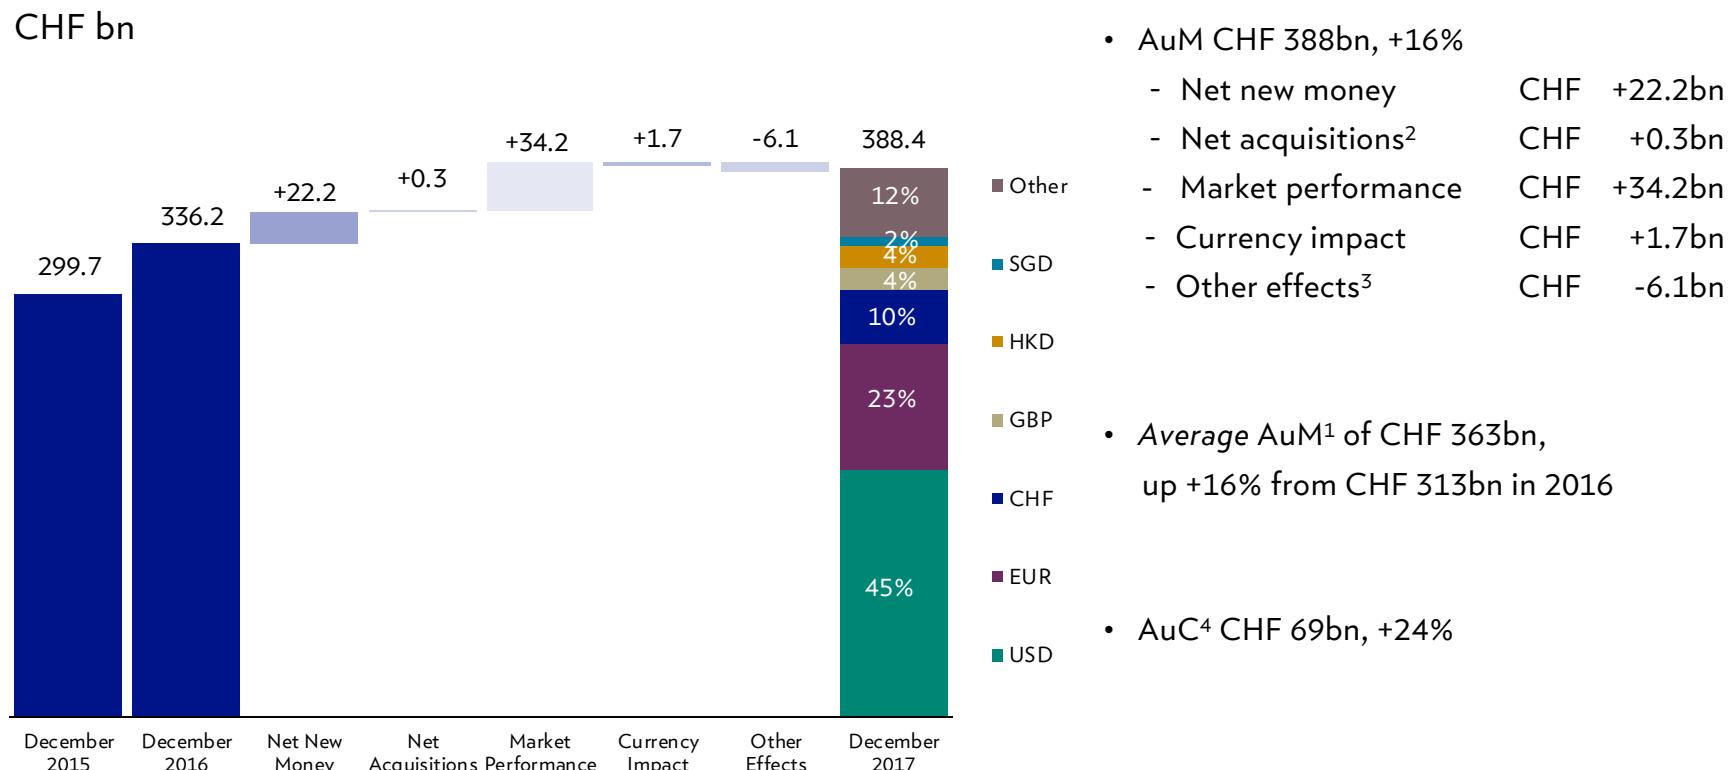

- Lower-volatility environment: Combined with higher valuations a positive for clients' stock market activity ...
- ... but normally negative for client FX trading (volumes, spreads)

¹ Source: Datastream, Julius Baer | ² Source: Bloomberg Finance L.P., Julius Baer

AUM INCREASE OF CHF 52bn (+16%) TO CHF 388bn

Driven by organic growth and market performance

Development of Assets under Management (AuM)

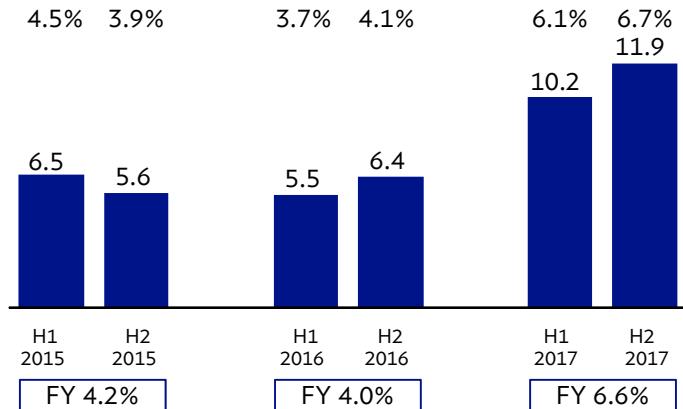

¹ Calculated on the basis of monthly AuM levels | ² Net acquisition consisting of acquisition of CHF +0.4bn Wergen & Partner and CHF -0.1bn resulting from discontinuation of offering to clients from selected countries | ³ Includes assets which have been reclassified following the completed roll-out of the new client advisory models in Switzerland and continental Europe | ⁴ Assets under custody

NET NEW MONEY EXCEEDING TARGET RANGE

Strong contributions from RMs hired in 2016 and 2017

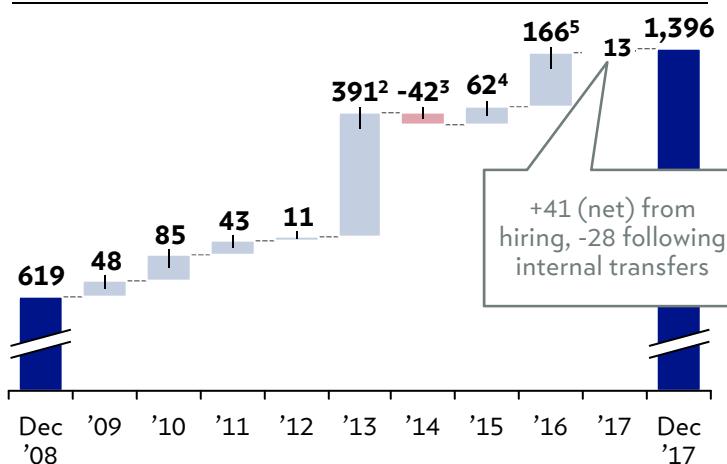

Net New Money

in CHF bn and %¹

- NNM: CHF 22.2bn (6.6%)
- Particularly strong inflows from Asia and Middle East ...
- ... and substantial recovery in Latin America
- Continued healthy NNM in traditional European markets, including strong contributions from Monaco and UK
- Limited impact from tax regularisations of legacy assets

Relationship Managers

- 2017 net hiring: +41 RMs
- Net increase of 13 RMs, as 28 RMs transferred to client-facing management roles

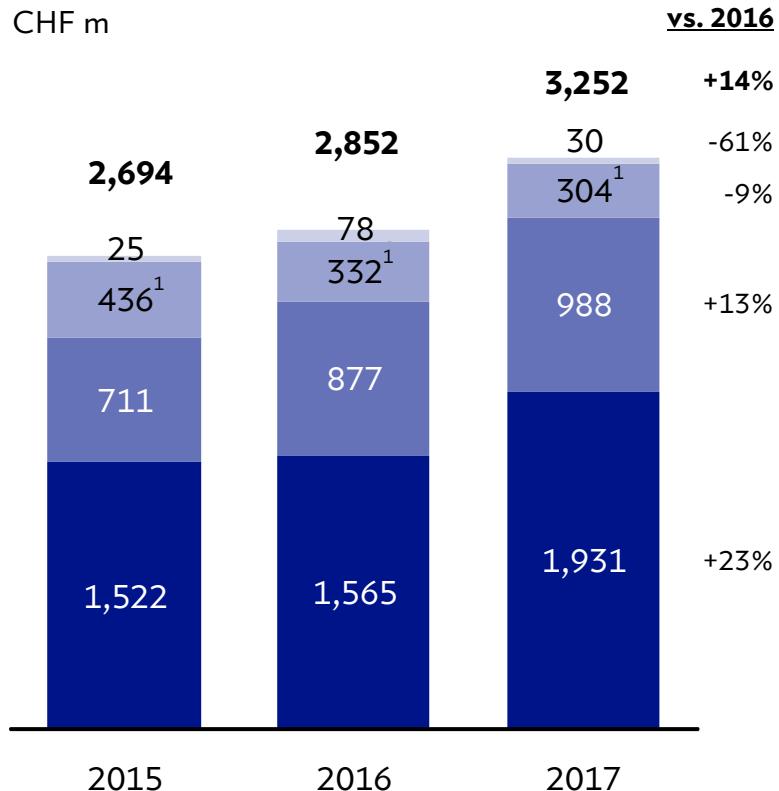

¹ Annualised NNM in % of AuM at the beginning of the period | ² 2013: +391, mostly from RMs transferring in from Bank of America's International Wealth Management business (IWM) outside the US | ³ 2014: -42, driven by IWM transaction-related synergy realisations | ⁴ 2015: +62, of which net 40 from hiring, remainder from acquisitions

⁵ Including 50 RMs transferring following the consolidation of Kairos and Commerzbank International S.A. Luxembourg

OPERATING INCOME +14% TO CHF 3.3bn

Excluding CHF 39m Kairos fair value adjustment in 2016: +16%

Operating Income

■ Other ordinary results

■ Net trading income

■ Net interest & dividend income

■ Net commission & fee income

Net commission/fee income +23% to CHF 1,931m

- Broadly similar percentage increases in asset-based fees and transaction-driven commissions
- Increased asset-based fees driven by:
 - higher penetration of advisory mandates
 - full 12-month and improved contribution from Kairos

Net interest/dividend income +13% to CHF 988m

- Excl. dividend on trading portfolios¹: +16% to CHF 792m
- Mainly on higher loan volumes and credit spreads ...
- ... partly offset by decrease in treasury portfolio and higher deposit rates

Net trading income -9% to CHF 304m

- Crediting back dividend on trading portfolios¹: -5% to CHF 499m
- Decrease in overall FX volatility and volumes

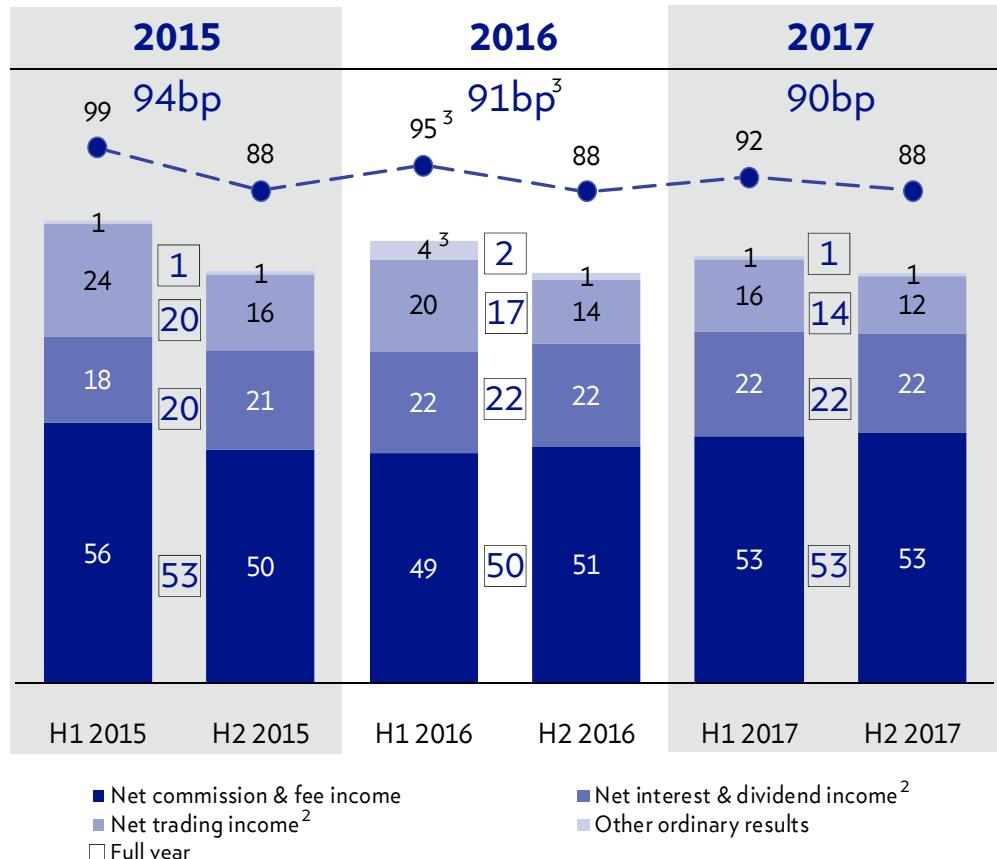

Other ordinary results from CHF 78m to CHF 30m

- 2016: CHF 39m from Kairos fair value adjustment
- Brand licence agreement with GAM Holding Ltd. was terminated in March 2017

¹ Dividend income on trading portfolios: 2017: CHF 195m (2016: CHF 192m, 2015: CHF 139m)

GROSS MARGIN¹

Decline y-o-y in trading gross margin² was offset by increase in commission & fee gross margin

- 2016 Kairos fair value adjustment (CHF 39m): equivalent to 1.2 bp
- Excluding this item, the gross margin was stable y-o-y (-0.2 bp)
 - Commissions & fees +3 bp to 53 bp
 - Trading -3 bp to 14 bp
 - Net interest² stable at 22 bp

¹ Operating income divided by monthly average AuM, in basis points. Average AuM H2 2017 was CHF 377bn, up 16% compared to H2 2016 and up 9% from H1 2017

² Net interest income adjusted to exclude dividends on trading portfolios, net trading income adjusted to include the same

(H1 2015: CHF 122m, H2 2015: CHF 17m, H1 2016: CHF 180m, H2 2016: CHF 12m, H1 2017: CHF 181m, H2 2017: CHF 14m)

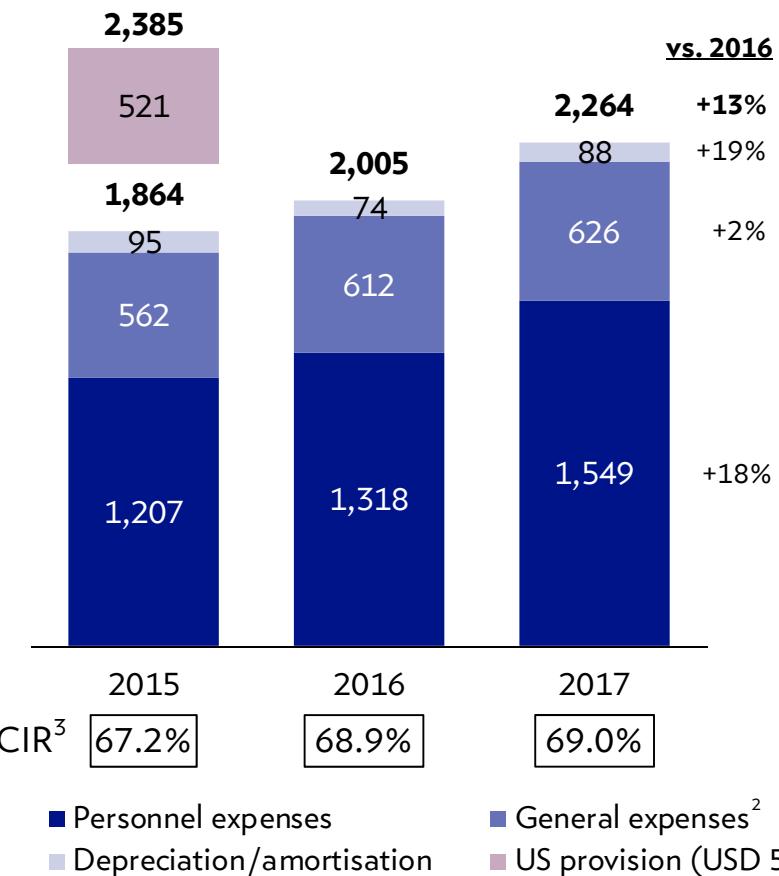

³ Includes CHF 38.6m Kairos fair value adjustment (equal to 2.6 bp in H1 2016 and 1.2 bp in FY 2016)

OPERATING EXPENSES¹ +13% TO CHF 2.3bn

Excluding CHF 63m pension fund amendment in 2016: +9%

Operating Expenses¹

CHF m

Personnel expenses +18% to CHF 1,549m

- Excluding 2016 CHF 63m pension fund amendment: +12% from CHF 1,381m to CHF 1,549m
- 6% increase in average FTE

General expenses² +2% to CHF 626m

- Ongoing investments in core banking platforms and indirect impact of higher staff levels ...
- ... partly offset by CHF 20m decrease in valuation allowances, provisions and losses

Depreciation/amortisation +19% to CHF 88m

- Increase in IT-related investments over recent years

Cost/income ratio³ 69.0%

- 3 percentage point underlying improvement, when excluding 2016 pension fund amendment and Kairos fair value adjustment (2016 underlying CIR was 72.0% on that basis)

Operating expenses¹ – approx. breakdown by currency

CHF	52%	SGD	10%	USD	6%	Other	5%
EUR	16%	HKD	7%	GBP	4%		

¹ Excluding integration and restructuring expenses and the amortisation of intangible assets related to acquisitions and divestments | ² Including valuation allowances, provisions and losses | ³ Cost/income ratio not considering valuation allowances and provisions and losses

STRONG GROWTH IN OPERATING RESULT

IFRS net profit attributable to shareholders of Julius Baer Group Ltd.	619	705	+14%

When excluding the 2016 Kairos- and pension fund-related items (CHF 101m pre-tax; CHF 88m net of taxes³):

- Adjusted profit before taxes: +32% year-on-year
- Adjusted pre-tax margin: +3.5 bp (2016 underlying pre-tax margin was 23.8 bp on that basis)
- Adjusted net profit for the Group: +30% year-on-year
- IFRS net profit attributable to shareholders of Julius Baer Group Ltd.: +33% year-on-year

Tax guidance

- Adjusted tax rate (2017: 18.5%) likely to remain in 18-19% range in next few years

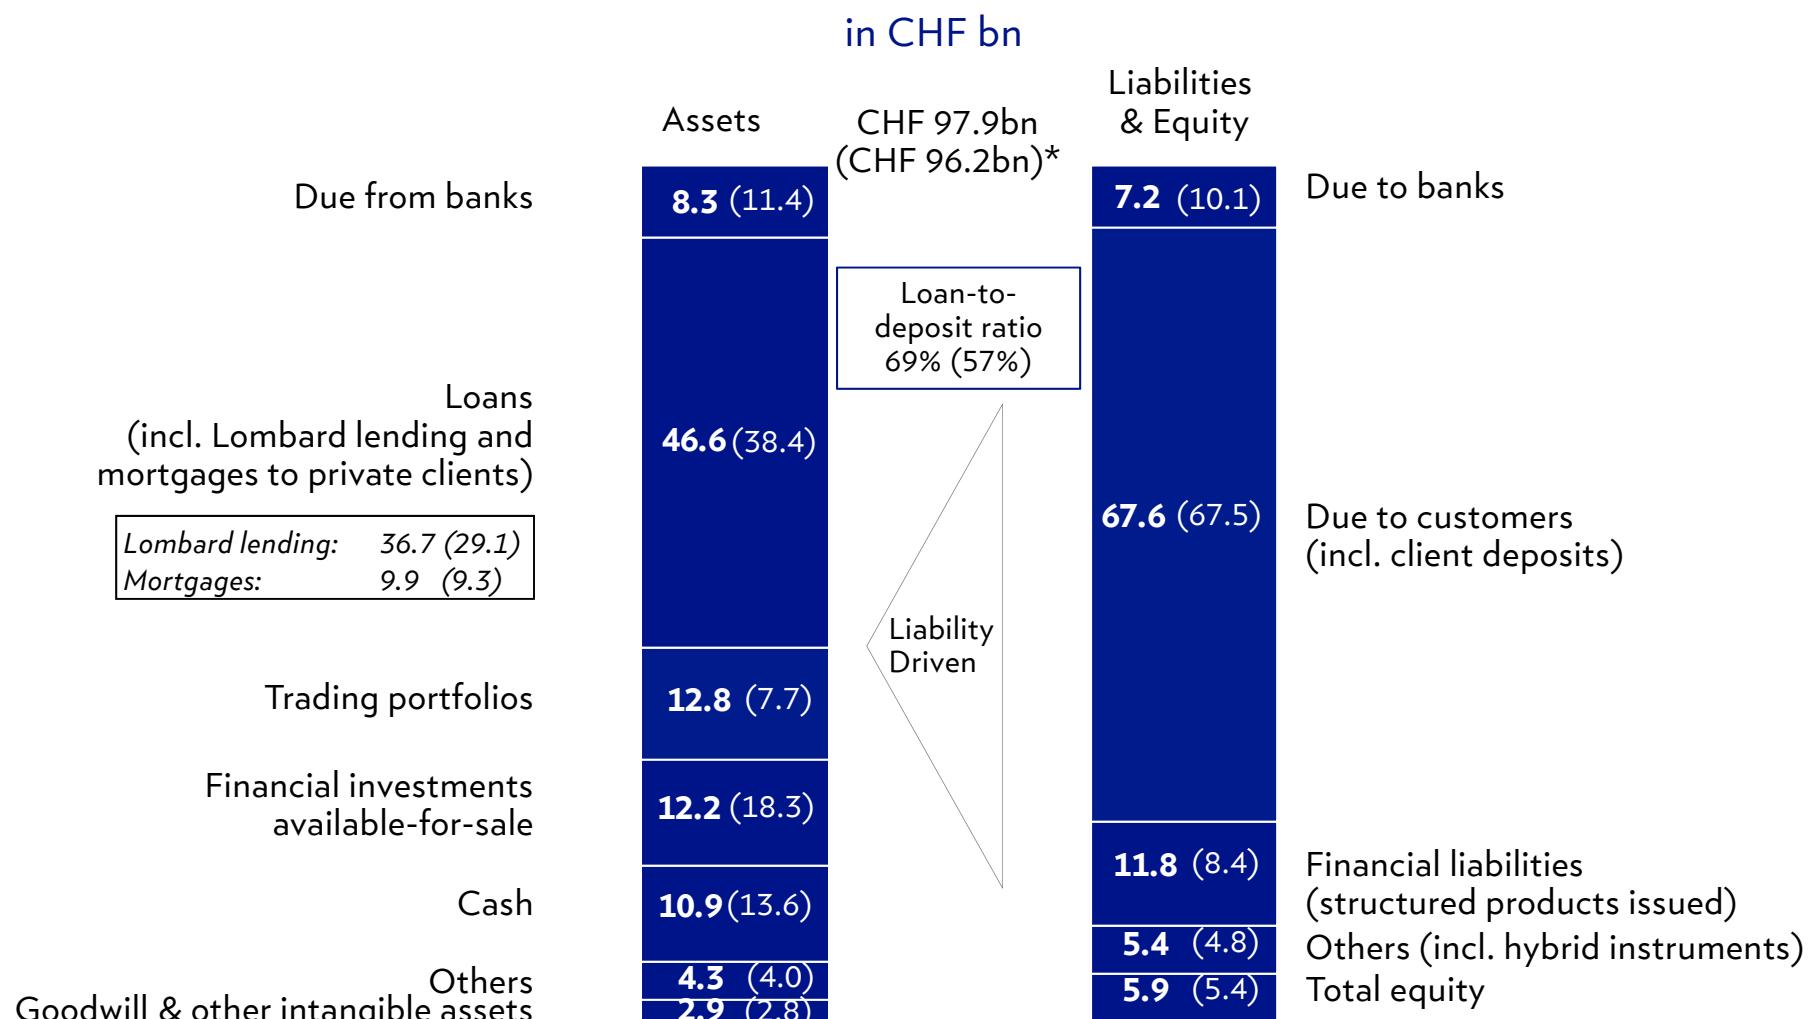

¹ Excluding integration and restructuring expenses and the amortisation of intangible assets related to acquisitions and divestments, as well as taxes on those items. Including these positions (see also reconciliation in Appendix), net profit was CHF 716m in 2017, up 15% from CHF 622m in 2016

² Adjusted net profit attributable to shareholders/(half-yearly) average shareholders' equity less goodwill and other intangible assets

³ 22% taxes on CHF 63m pension fund amendment; no tax impact on Kairos fair value adjustment

SOLID BALANCE SHEET – TOTAL ASSETS STABLE

Low risk profile

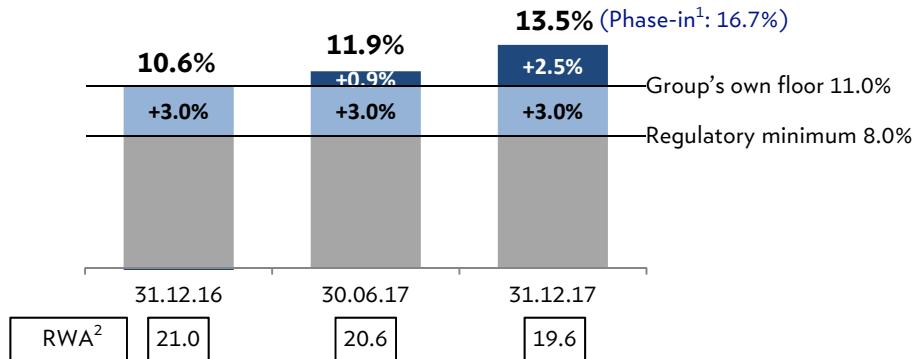

Figures as at 31 December 2017, summarised and regrouped from Financial Statements.

* In brackets: figures as at 31 December 2016

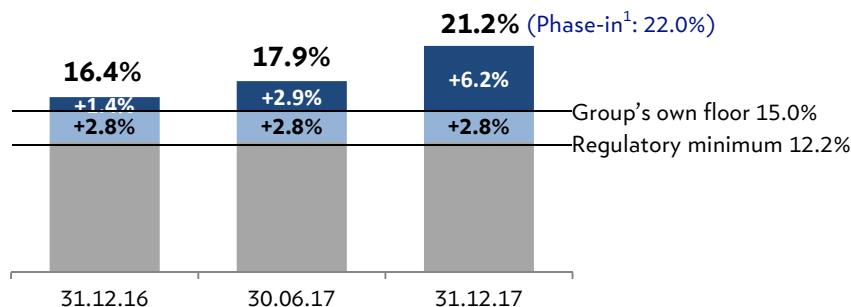

SIGNIFICANTLY STRENGTHENED CAPITAL RATIOS

Minimum regulatory requirement for tier 1 leverage ratio confirmed at 3%

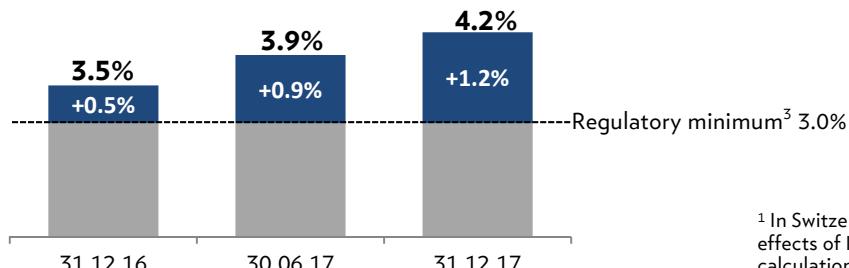

BIS CET1 capital ratio (fully applied)

BIS total capital ratio (fully applied)

Tier 1 leverage ratio (tier 1 capital fully applied)

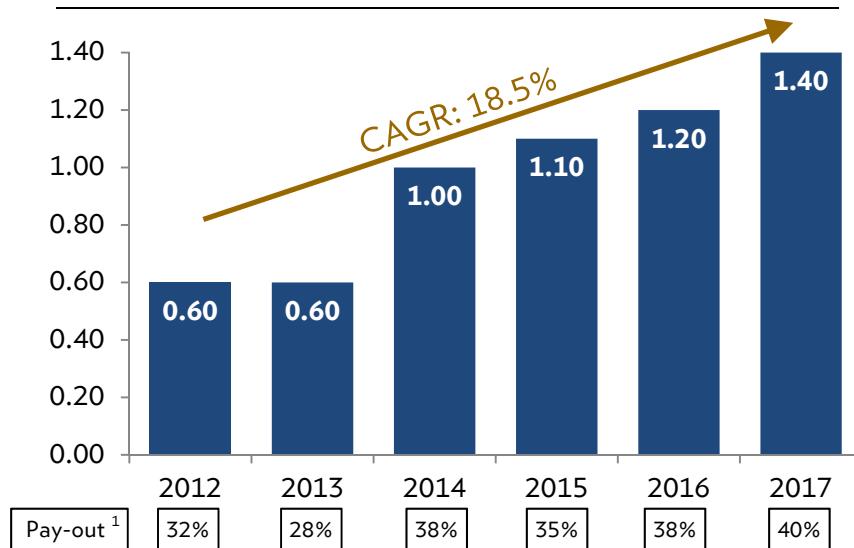

- Capital ratios well above minimum regulatory requirements and Group's own floors
- Fully applied CET1 capital ratio 13.5%, a 290 bp increase from end 2016
 - CHF 0.4bn CET1 capital build (net of CHF 0.3bn dividend accrual)
 - CHF 1.4bn RWA reduction, mainly on lower credit RWA, driven by improved collateral allocation and decrease in AFS portfolio
- Fully applied total capital ratio 21.2%, up 480 bp, helped by USD 300m AT1 bond issue
- Fully applied tier 1 leverage ratio 4.2%, well in excess of the newly confirmed minimum leverage ratio requirement of 3.0%³

¹ In Switzerland the Basel III framework came into effect on 1 January 2013. The Basel III effects but also the effects of IAS 19-revised relating to pension liabilities will be phased in between 2014 and 2018 for the calculation of the eligible capital | ² Risk-weighted assets (fully applied), in CHF bn | ³ From 1 January 2018

FURTHER RISE IN DIVIDEND

Pay-out ratio¹ increased to 40%

Dividend per share (CHF) for financial years 2012-2017

Proposed dividend CHF 1.40, up 17%

- Fourth consecutive dividend increase
- To be paid out of statutory capital reserve
- Total distribution CHF 313m ...
- ... in line with pay-out target of ~40% of adjusted net profit attributable to shareholders

Unchanged dividend/capital return policy

- Intention to distribute ~40%¹ via ordinary dividends
- Unless justified by significant events, per-share ordinary dividend at least equal to previous year's ordinary dividend
- At all times considering capital floors, business and market outlook, and near-term significant investment requirements and opportunities
- From time to time, if justified, special dividends and share buybacks could be considered

¹ Of adjusted net profit attributable to shareholders of Julius Baer Group Ltd. (2015: excluding CHF 521 million US provision (CHF 422 million net of tax))

SCOPE OF PRESENTATION OF FINANCIALS

Financial results are presented as usual on the adjusted basis

- *Excluding* integration and restructuring expenses and the amortisation of intangible assets related to acquisitions or divestments, as well as taxes on those respective items
 - Reconciliation from the IFRS results to the adjusted results is outlined in the Appendix
 - Please refer to the Julius Baer Group Ltd. Consolidated Financial Statements 2017 (audited)¹ for the IFRS results
-
- The 2016 results included a benefit of CHF 39 million in operating income resulting from the Kairos fair value adjustment following the acquisition of an additional 60% stake in Kairos in April 2016 as well as a CHF 63 million benefit to operating expenses resulting from the amendment to the Swiss pension plan (together CHF 101 million, or CHF 88 million net of taxes)
 - The commentary in this presentation occasionally refers to the operational development, which would result if these two items were excluded from the results in 2016

CAUTIONARY STATEMENT ON FORWARD-LOOKING INFORMATION

General

This presentation by Julius Baer Group Ltd. ("the Company") does not constitute an invitation or offer to acquire, purchase or subscribe for securities nor is it designed to invite any such offer or invitation.

Cautionary Statement Regarding Forward-looking Statements

This presentation by the Company includes forward-looking statements that reflect the Company's intentions, beliefs or current expectations and projections about the Company's future results of operations, financial condition, liquidity, performance, prospects, strategies, opportunities and the industries in which it operates. Forward-looking statements involve all matters that are not historical fact. the Company has tried to identify those forward-looking statements by using the words "may", "will", "would", "should", "expect", "intend", "estimate", "anticipate", "project", "believe", "seek", "plan", "predict", "continue" and similar expressions. Such statements are made on the basis of assumptions and expectations which, although the Company believes them to be reasonable at this time, may prove to be erroneous.

These forward-looking statements are subject to risks, uncertainties and assumptions and other factors that could cause the Company's actual results of operations, financial condition, liquidity, performance, prospects or opportunities, as well as those of the markets it serves or intends to serve, to differ materially from those expressed in, or suggested by, these forward-looking statements. Important factors that could cause those differences include, but are not limited to: changing business or other market conditions; legislative, fiscal and regulatory developments; general economic conditions in Switzerland, the European union and elsewhere; and the Julius Baer Group's ability to respond to trends in the financial services industry. Additional factors could cause actual results, performance or achievements to differ materially.

In view of these uncertainties, readers are cautioned not to place undue reliance on these forward-looking statements. the Company and its subsidiaries, and their directors, officers, employees and advisors expressly disclaim any obligation or undertaking to release any update of or revisions to any forward-looking statements in this presentation and these materials and any change in the Company's expectations or any change in events, conditions or circumstances on

which these forward-looking statements are based, except as required by applicable law or regulation.

Financial Information

This presentation contains certain pro forma financial information. This information is presented for illustrative purposes only and, because of its nature, may not give a true picture of the financial position or results of operations of the Company. Furthermore, it is not indicative of the financial position or results of operations of the Company for any future date or period.

Rounding

Numbers presented throughout this presentation may not add up precisely to the totals provided in the tables and text. Percentages and percent changes are calculated based on rounded figures displayed in the tables and text and may not precisely reflect the percentages and percent changes that would be derived based on figures that are not rounded.

Third Party and Rating Information

This presentation may contain information obtained from third parties, including ratings from rating agencies such as Standard & Poor's, Moody's, Fitch and other similar rating agencies. Reproduction and distribution of third-party content in any form is prohibited except with the prior written permission of the related third party. Third-party content providers do not guarantee the accuracy, completeness, timeliness or availability of any information, including ratings, and are not responsible for any errors or omissions (negligent or otherwise), regardless of the cause, or for the results obtained from the use of such content. Third-party content providers give no express or implied warranties, including, but not limited to, any warranties of merchantability or fitness for a particular purpose or use. Third-party content providers shall not be liable for any direct, indirect, incidental, exemplary, compensatory, punitive, special or consequential damages, costs, expenses, legal fees, or losses (including lost income or profits and opportunity costs) in connection with any use of their content, including ratings. Credit ratings are statements of opinions and are not statements of fact or recommendations to purchase, hold or sell securities. They do not address the market value of securities or the suitability of securities for investment purposes, and should not be relied on as investment advice.
